

Word comments export as PDF Text (sticky-note) annotations. Open reference.pdf in Acrobat to see the note icons.

- 1. This phrase has a short comment attached.
- 2. Another phrase carries a comment with unicode.
- 3. This one has a longer multi-sentence comment.

Commented [R1]: This phrase has a comment attached to it.

Commented [R2]: Second comment — with non-ASCII: Besøk ✓

Commented [R3]: A longer comment to check that multi-sentence notes survive Word's PDF export and render in the annotation pane.
