

Placed in part 2 "Report on other legal and regulatory requirements" directly after the auditor's responsibility regarding the audit of the administration of the Board of Directors and the Managing Director of ABC AB (publ) for the year YYYY (the financial year ...) and the proposed appropriations of the company's profit or loss. but before the statement on corporate governance report and sustainability report. To facilitate the readability, does FAR recommend that an additional subheading be introduced in the beginning of part 2, see below.

Report on other legal and regulatory requirements

The auditor's audit of the administration of the Board of Directors and the Managing Director and the proposed appropriations of the company's profit or loss

The auditor's examination of the Esef report

Opinion

In addition to my (our) audit of the annual accounts [and consolidated accounts], I (we) have also examined that the Board of Directors and the [Managing Director] have prepared the annual accounts [and consolidated accounts] in a format that enables uniform electronic reporting (the Esef report) pursuant to Chapter 16, Section 4 a of the Swedish Securities Market Act (2007:528) for ABC AB (publ) for the financial year YYYY.

My (Our) examination and my (our) opinion relate only to the statutory requirements.

In my (our) opinion, the Esef report has been prepared in a format that, in all material respects, enables uniform electronic reporting.

Basis for opinion

I (We) have performed the examination in accordance with FAR's recommendation RevR 18 Examination of the Esef report. My (Our) responsibility under this recommendation is described in more detail in the *Auditors' responsibility* section. I (We) am (are) independent of ABC AB (publ) in accordance with professional ethics for accountants in Sweden and have otherwise fulfilled my (our) ethical responsibilities in accordance with these requirements.

I (We) believe that the evidence I (we) have obtained is sufficient and appropriate to provide a basis for my (our) opinion.

Responsibilities of the Board of Directors and the Managing Director

The Board of Directors and the Managing Director is (are) responsible for the preparation of the Esef report in accordance with the Chapter 16, Section 4 a of the Swedish Securities Market Act (2007:528), and for such internal control that the Board of Directors and the Managing Director determine is necessary to prepare the Esef report without material misstatements, whether due to fraud or error.

Auditor's responsibility

My (Our) responsibility is to obtain reasonable assurance whether the Esef report is in all material respects prepared in a format that meets the requirements of Chapter 16, Section 4(a) of the Swedish Securities Market Act (2007:528), based on the procedures performed.

RevR 18 requires me (us) to plan and execute procedures to achieve reasonable assurance that the Esef report is prepared in a format that meets these requirements.

Reasonable assurance is a high level of assurance, but it is not a guarantee that an engagement carried out according to RevR 18 and generally accepted auditing standards in Sweden will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Esef report.

The firm applies International Standard on Quality Management 1, which requires the firm to design, implement and operate a system of quality management including policies or procedures

regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

The examination involves obtaining evidence, through various procedures, that the Esef report has been prepared in a format that enables uniform electronic reporting of the annual accounts [and consolidated accounts]. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement in the report, whether due to fraud or error. In carrying out this risk assessment, and in order to design audit procedures that are appropriate in the circumstances, the auditor considers those elements of internal control that are relevant to the preparation of the Esef report by the Board of Directors and the Managing Director, but not for the purpose of expressing an opinion on the effectiveness of those internal controls. The examination also includes an evaluation of the appropriateness and reasonableness of assumptions made by the Board of Directors and the Managing Director.

The procedures mainly include a validation that the Esef report has been prepared in a valid XHTML format and a reconciliation of the Esef report with the audited annual accounts [and consolidated accounts].

[Furthermore, the procedures also include an assessment of whether the consolidated statement of financial performance, financial position, changes in equity, cash flow and disclosures in the Esef report have been marked with iXBRL in accordance with what follows from the Esef regulation.¹]

¹ The section is included when there are consolidated accounts.
