TERMINATION (Required for all contracts in excess of \$10,000):

TERMINATION FOR CONVENIENCE: The School District may terminate this Contract without cause for any reason. Said termination shall not be deemed a Breach of Contract by the School District. The School District shall give the Contractor at least thirty (30) days written notice before the effective termination date. The Contractor shall be entitled to receive compensation for satisfactory, authorized service completed as of the termination date, but in no event shall the School District be liable to the Contractor for compensation for any service which has not been rendered. Upon such termination, the Contractor shall have no right to any actual general, special, incidental, consequential, or any other damages whatsoever of any description or amount.

TERMINATION FOR CAUSE: If the Contractor fails to properly perform its obligations under this contract in a timely or proper manner, or if the Contractor violates any terms of this contract, the School District shall have the right to terminate the contract and withhold payments in excess of fair compensation for completed services.

A. The School District will provide notification of termination for cause in writing. This notice will: (1) specify in reasonable detail the nature of the breach; (2) provide the Contractor with an opportunity to cure, which must be requested in writing no less than 10 days from the date of the Termination Notice; and (3) shall specify the effective date of termination in the event the Contractor fails to correct the breach. The Contractor must present the School District with a written request detailing the efforts it will take to resolve the problem and the time period for such resolution. This opportunity to "cure" shall not apply to circumstances in which the Contractor intentionally withholds its services or otherwise refuses to perform. The School District will not consider a request to cure contract performance where there have been repeated problems with respect to identical or similar issues, or if a cure period would cause a delay that would impair the effectiveness of School District operations. In circumstances where an opportunity to cure is not available, termination will be effective immediately.

B. Notwithstanding the foregoing, the Contractor shall not be relieved of liability to the School District for damages sustained by virtue of any breach of this Contract by the Contractor.

BREACH: A party shall be deemed to have breached the contract if any of the following occurs:

- A. Failure to perform in accordance with any term or provision of the contract.
 - B. Partial performance of any term or provision of the contract
 - C. Any act prohibited or restricted by the contract, or
 - D. Violation of any warranty
-

CONTRACTOR BREACH: The School District shall notify the Contractor in writing of a breach.

A. In event of a breach by Contractor, the School District shall have available the remedy of actual damages and any other remedy available at law or equity.

B. In the event of a breach, the School District may assess liquidated damages.

PARTIAL DEFAULT: In the event of a breach, the School District may declare a partial default.

CONTRACT TERMINATION: In the event of a breach, the School District may terminate the contract immediately or in stages. The Contractor shall be notified of the termination in writing by the School District. Said notice may specify either that the termination is to be effective immediately, on the date certain in the future, or that the contractor shall cease operations under this contract in stages. In the event of a termination, the School District may withhold any amounts which may be due the Contractor without waiver of any other remedy or damages available to the School District at law or equity.

SCHOOL DISTRICT BREACH: In the event of a breach of contract by the School District, the Contractor shall notify the School District in writing within 30 days of any breach of contract by the School District. Said notice shall contain a description of the breach. Failure by the Contractor to provide said written notice shall operate as an absolute waiver by the Contractor of the School District's breach. In no event shall any breach on the part of the School District excuse the Contractor from full performance under this contract. In the event of breach by the School District, the Contractor may avail itself of any remedy at law in the forum with appropriate jurisdiction; provided, however, failure by the Contractor to give the School District written notice and opportunity to cure as described herein operates as a waiver of the School District's breach. Failure by the Contractor to file a claim before the appropriate forum in Arkansas with jurisdiction to hear such a claim within one (1) year of the written notice of breach shall operate as a waiver of said claim in its entirety. It is agreed by the parties that this provision establishes a contractual period of limitations for any claim brought by the Contractor.
