Monthly Board of Director's Meeting
Thursday, December 14, 2017 at 7:30 PM
Parish House, Immanuel Church-on-the-Hill
3606 Seminary Road, Alexandria, VA

Announcements: President Jennings asked everyone to please sign in. She also noted that a schedule of future SHA meetings was available.

Police Report: Sgt. Houston was not available due to a Police incident on Fort Williams Parkway.

Sheriff's Report: Chief Joe Pankey gave an update on issues within the Sheriff's Department. He also described a new program called Project LifeSaver which involves a wrist band to help locate someone "lost."

Program: The City of Alexandria is implementing a Stormwater Utility Fee to provide an adequate and stable source of funding to manage stormwater, modernize the City's aging stormwater infrastructure, and comply with unfunded state and federal Chesapeake Bay cleanup mandates. Ms. Danilo Nunez and Mr. Jessie Maines from the City's T&ES Department provided a presentation concerning the Chesapeake Bay Cleanup Mandates and the fee structure necessary to fund the program. Basically, single family residential structures will be classified by condo, townhouse, typical single family home, and large single family home. Each will have a different fee structure. The Stormwater Utility Fee will be billed by the City twice a year on the Real Estate Tax Bill starting May 2018. There were numerous questions from the audience concerning why some homes that are similar in design and size are classified as either small or large. Jessie described an appeals method to 'challenge' the classification for individual homeowners. Other questions involved possible waivers or reduced costs for churches, schools and Federal Government buildings. It was noted that any waivers, if granted, would increase the amounts charged to residential homes. There are supposed to be no waivers in the program.

Election of At-Large Members: Fran Terrell, Joe Fisher, and Jim Durham were unanimously elected by the SHA Board to become At-Large Members.

Minutes: The Board approved the minutes for October and November. The November Minutes will also be approved by the general membership at the next Annual SHA meeting in November 2018.

Treasurer's Report: Joanne Lepanto reported that she received \$365 in dues for a total of \$30,727.83 in the SHA account. The Board approved payments for the Annual Meeting signs

(\$169), website services (\$220) and a donation of \$200 to Immanuel Church-on-the-Hill for the use of their facility for our SHA meetings.

Area Reports: Area 1, Carol Johnson, discussed speeding on Quaker Lane. Bill Goff, Area 2, provided an update on the TCW stadium plans and noted the situation is still fluid. Dick Hobson, Area 3, said he was satisfied with the speeding situation on Quaker Lane near Duke Street. Tom Fulton, Area 6, reported on a meeting about the Fairlington Presbyterian Church plans to partition off part of their land to allow development of affordable housing. About 100 attended with concerns about the density of the building, limited parking, overcrowded local schools, and population. The Church does not appear open to changes. No members of the community are on the planning committee. Tom reminded SHA members that as the number of people in the affordable housing ‘pool’ grows, the City must have a goal of setting aside 10% of affordable housing by City of Alexandria statute. At Large, Jim Durham, stated that the earlier incident on Fort Williams Parkway was a ‘prank’ phone call. At Large, Fran Terrell said the Oakland Baptist Church in Fort Ward Park was now on the Virginia State Registry.

Old Business: SHA position on the Karig Estates Plan. Gant Redmon (neighbor), Mary Catherine Gibbs (Lawyer for owners), and Nancy Davis (from Temple Beth El) each gave their positions on why or why not the project should move forward. After lengthy discussion, questions and answers, Jack Sullivan, Area 5, proposed a Resolution for consideration of supporting a compromise that the neighbors have come up with. That motion was tabled to wait until the January SHA meeting to better understand the proposed compromise.

Having no further business, the meeting adjourned at 9:40 PM.

Richard J. Hayes, Recorder.
